About: The West Chelsea Artists Open Studios provides a rare opportunity for the community and tourists to meet our local contemporary artists who keep this historic art neighborhood vibrant. The artists will be on-hand to show their most recent artworks and discuss their artistic practice. Artworks will be available in a wide range of media including — but not limited to— painting, sculpture, photography, mixed-media, textiles, prints, collage, street art, and much more!

The intimate setting gives art buyers and collectors the rare opportunity to purchase artworks directly from the artists' inventory without the gallery markup. It's also a fantastic way to discover new emerging talent while their work is still affordable.

The West Chelsea Artists Open Studios is organized and presented by West Chelsea artist, Scotto Mycklebust, artist/executive producer and the Public Art Squad Project.
