### **9th Annual West Chelsea Artists Open Studios 2022**

**Friday, May 20th, Saturday, May 21st, and Sunday, May 22nd**

**May 20-22, 2022, 12-6 p.m.**

### **CALL FOR ARTISTS**

(New York NY) April 14, 2022, On May 20th, 21st, and 22nd from 12:00 p.m. to 6:00 p.m. Help celebrate the 2022 reopening of our Chelsea artist's community by opening your studio to the public. During the week of May 18th through the May 22nd, collectors, curators, dealers, and art enthusiasts —from around the globe —will all descend upon our neighborhood for the highly anticipated 2022 Frieze Art fair held at the Shed in Hudson Yards, just blocks from the West Chelsea artists gallery district.

This will be a prime opportunity for artists, like yourself, to capitalize on the foot traffic, discuss your works in-person, and importantly, sell your art. In past years, artists have reported on the many different types of positive exposure they've received. This has included: numerous sales of their work, large commissioned projects, their first exhibitions, critical essays written about their work, and excellent networking opportunities with art collectors — to highlight a few.

This event is open to all West Chelsea artists with studio or works spaces in West Chelsea accessible to the public. This will be as far North as Hudson Yards, as far South as the Whitney Museum of Art and Westbeth Artists Housing, as far East as 6th Avenue, and as far West to the Westside Highway and 11th Avenue.

## **About**

The West Chelsea Artists Open Studios provides a rare opportunity for the community and tourists to meet our local contemporary artists who keep this historic art neighborhood vibrant. Over sixty artists will be on-hand to show their most recent artworks and discuss their artistic practice. Artworks will be available in a wide range of media including — but not limited to— painting, sculpture, photography, mixed-media, textiles, prints, collage, street art, and much more!

While typically only accessible by appointment, visitors will be granted access “behind the scenes” to explore each artist’s creative space. The intimate setting gives collectors the rare opportunity to purchase artworks directly from the artists’ inventory without the gallery markup. It’s also a fantastic way to discover new emerging talent while their work is still affordable.

The two-day event attracts art enthusiasts, collectors, curators, artists, and tourists to the neighborhood making it a community-wide celebration. Self-Guided Tour Maps will be available to pick-up in the lobby of 526 West 26th Street or downloadable from our website.

The West Chelsea Artists Open Studios is organized and presented by West Chelsea artist, Scotto Mycklebust, artist/executive producer and the Public Art Squad Project.
